

PROTECT·A·BED[®]

ALLER·ZIP[™] Smooth
MATTRESS ENCASEMENT

PROTECT-A-BED'S

Bedding encasement system - An effective tool in combating Bed Bug infestation

Independently laboratory tested and scientifically proven to be Bed Bug entry, exit and bite proof.

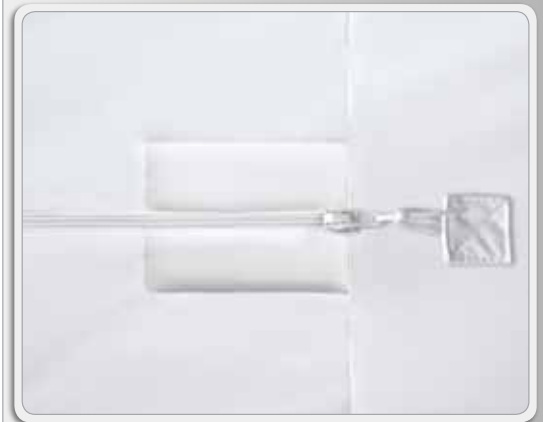

ALLER-ZIP[™] Smooth enables you to completely encase the mattress:

- Snugly fitting the mattress so eliminating cracks and crevices and brilliant white in colour therefore aiding in the early detection of Bed Bugs
- Designed using a 3 sided micro-zipper for easy use
- Rugged and effective, made from smooth polyester fabric and stitched using reinforced french seams
- 2 year manufacturer's warranty against defects in workmanship and materials
- Featuring the patented Bug Lock[™] zipper enclosure system that incorporates a sealed safety trench, stitched around the typically vulnerable zipper clasp, as well as Micro-Zipper teeth for an extra tight enclosure

ALLER-ZIP[™] Smooth is easy and quick to use, chemical free and cool and comfortable to sleep on.

WITH  **BUG LOCK[™]**
Secure Seal *Patent pending

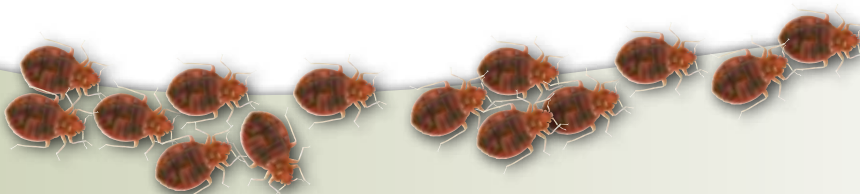

3-sided zipper system with allergy flap

Manages Bed Bug Infestation	Saves Time	Saves Money
Traps any surviving Bed Bugs and eggs infesting the mattress inside so not to spread throughout the environment	Allows for quicker detection of Bed Bugs still present in the environment Quicker detection equals better ability to control infestation	Increases the ability to control infestation in fewer visits 70% of the Bed Bug infestation is generally contained in the mattress or surrounding areas
Protects re-infestation of mattress from surviving Bed Bugs and eggs remaining in the environment	Less labour intensive eliminates the need to re-treat the mattress other than the outer surface	Reduces time spent in environment searching for Bed Bugs and eggs associated with the mattress

Protect your bedding investment

- Protects new bedding and salvages infested bedding
- Increases time between re-infestations
- Aids in the early detection of Bed Bugs
- Decreases the scope of the re-infestation
- Less time spent on site addressing the bedding means lower labour cost
- Time savings allow for more & bigger Bed Bug jobs

PROTECT·A·BED®

ALLER-ZIP™ Smooth
MATTRESS ENCASEMENT

THE BEST VALUE IN BEDDING PROTECTION

Provides a clean and healthy sleeping environment.

Bed Bug and Dust Mite infestations are serious problems that can cause a variety of health concerns including asthma, eczema and allergies. ALLER-ZIP™ Smooth mattress encasements provide an effective barrier to infestation. Because treatments can't reach the core of an already infested mattress, they usually need to be disposed of – but no longer. ALLER-ZIP™ Smooth protects your mattress investment and most importantly, your health.

- Complete mattress encasement for protecting against Bed Bug entry or escape.
- Certified by an Entomology Laboratory to be Bed Bug bite proof
- Superior protection against bed-wetting
- Ultimate allergy protection
- Dust Mite barrier and allergy protection
- Protects against allergens such as pet dander, pollen and mold
- Air vapour porous, waterproof and absorbent
- Cool and comfortable to sleep on
- Machine washable hot, tumble dry medium
- 2 year manufacturer's warranty against defects in workmanship and materials only
- For optimum convenience, use with Protect-A-Bed® mattress protectors

Every mattress needs a Protect-A-Bed mattress protector:

Every night the human body loses at least a pint of body fluid through the skin, pores and mouth, as well as millions of skin flakes.

Unprotected mattresses create the perfect breeding ground for bacteria and dust mites (a major cause of asthma, eczema and rhinitis).
